No Evidence to Connect Him With Deaths of Three Benson Men.

MOSELEY ALSO RELEASED

Chairman Morehead Issues Call for Republican State Convention.

[Special to The Times-Dispaten.]
Raleigh, N. C., March II.—After a hearing that continued from 19 o'clock this morning until 8 o'clock to-night, Associate Justice Platt D. Walker, of the Suprime Court, ordered the discharge of Fate W. Goss, the young Durham man who was being held without bail on the order of the corner and fury as possibly being implicated in foul play in connection with the asphyziation of Alton Johnson, Fred Jernizan and Hugh Perter, of Benson, in the Wilson Apartments on February 5.

In disanisaing the prisoner, Judge Walker stated that, while there were some minor discrepancies in the case of the decadant, the evidence presented by his counsel met the allegations of the State at every point, so that there was no case against him in the same connection it was suggested to the authorities that Maynard Moseley be released from the \$1,000 cash bond he was under as a witness in the same connection, and this was done.

The evidence that brought about the discharge of the prisoners under the

this was done.

The evidence that brought about the discharge of the prisoners under the writ of habous corpus that Judge Walker heard consisted in numbers of witnesses from Raleigh and Durham identifying the watch, fob, purse, kodak pictures and revolver which witnesses for the State testified had belonged to members of the ill-fated Benson party, as redly the property of Fate Goss, and that they had seen him with them weeks and in some cases months before the asphyxiation. There was also evidence to show that Goss could not have been out of the Davis boarding house on the Sun-

DR. WILEY CRITICIZED

Comes In for Caustic Comment on Place of House.

Washington, March II.—The Remsen pure food board and Dr. Harvey W. Wiley, chief of the Bureau of Chemistry, were criticized in the House today during a discussion of the agricultural appropriation bill. The sum of \$625,669, however, was permitted to stand for the continuance of the bureau and its assistants during 1913.

Representative Lever, of South Carelina, led the assault on the Remsen board. He questioned the legality of that body, and condemned its personnel as being "too highly scientific."

sonnel as being "too highly scientific,"

Representative Cooper, of W'sconsin, Republican, and Republican Leader Mann, defended the board and Dr. Wiley, Representative Kahn, of California, Republican, attacked Dr. Wiley, who, by his ruling on the use of sulphur in the fruit-drying industry of the Pacific coast, he said, practically had rulined that industry. The order is on appeal to the Remsen board. The bill was not completed when adjournment was taken. The committee shopes to pass it to-morrow.

HENRY JORDAN KILLED.

One Hank charge, fired vestorday from a double-barreled shot gun, effectively, put to rout a trio of Nouth Richmond boyn—Bernard Worsham, Garland Green and Frank Russell—who, it is alleged took advantage of their numbers to pick a quarrel with Kenneth Swan, an Oak Grove youth. Kenneth not relisting the humor dished out by the city youths, rushed to the house, selzed the gun, taking the precaution to remove the shot, and aiming pointblank at his tormentors, let loose with one barrel. Before he could pull the other trigger the boys were out of sight.
Out of breath they reached the home of Officer A, T. Traylor and told of the attempt on their life. An investigation was made, resulting in the arrest of Kenneth. He was halled for appearance in the Oak Grove Court next Saturday. The boys are all allows a state of the month was disposed by Justice Ha. Maurice in the Police quit, Part E, yesterday mering.
